Spectacular! Simple. Light weight. Sturdy enough to just hang there untouched. I recommend, to bring dimension and style to your island or dining area. I suspended mine over the dining table. 🤖👨 (Guy at the end of my video is to express my satisfaction) lol

★★★★★ Great Looking Pendant Lights!

Reviewed in the United States on August 26, 2024

I have been searching for some pendant lights to add over our bar area and couldn't ever find what it was I wanted until I saw these. While they are labeled as industrial style, I think they go well with various decor styles. The hammered metal shade looks nice paired with the wood piece on top, and their simple design draws attention without being overstated.

Installation was a breeze and everything you need comes with the pendants - except the bulbs. They also come with plenty of cord so you can adjust them to your ideal height.

Once installed, they put out the perfect amount of light; enough to serve as accent lighting or as main lighting for the specific area you install them. Plus, they look great both on and off.

Very happy I ordered these. They are simple, lightweight, and look great!

★★★★★ Gorgeous and perfect for our modern farmhouse kitchen redesign

Reviewed in the United States on December 9, 2024

Color: MK407(10.2") | Size: 1-Pack(10.2") | [Amazon Vine Customer Review of Free Product \(What's this? \)](#)

Love the gold accents inside and above the black shade, they really accentuate this charming light fixture.

We're redoing our kitchen in a modern farmhouse style, and this pendant is gorgeous over the sink. The gold interior gives a bit of a cozy glow while you're doing dishes.

It's the perfect size and would also work over a kitchen island or kitchen table. Love that it has capability for LED bulbs and we're using an Edison type LED bulb in it to save energy and for a more classic style. I

love the current mixed metal look and this light is really adding to that style.

Installation was easy, especially since we're replacing an existing fixture. Instead of having a metal tube hanging from the ceiling, it's a flexible cord so you can adjust the height to whatever you need. The installation hardware was included, which really helps a lot. We really appreciate the style that this light is bringing to our updated kitchen.

★★★★★ **Stylish and Versatile Industrial Pendant Light**

Reviewed in the United States on November 11, 2024

Color: MK407(10.2") | Size: 1-Pack(10.2") | [Amazon Vine Customer Review of Free Product \(What's this?\)](#)

I recently installed this Industrial Pendant Light in my kitchen, and it has truly elevated the space! The matte black and gold finish gives it a sleek, modern look that pairs perfectly with both industrial and farmhouse decor. The adjustable height feature is super convenient; I could set it to the exact length I needed, making it fit beautifully over my kitchen island.

Installation was quick and straightforward, taking about 15 minutes with the included hardware. I love that it's compatible with a variety of bulbs, so I chose an Edison bulb for a cozy, dimmable glow. The light feels sturdy and well-made, adding a warm, artistic touch without overwhelming the space. Highly recommend this pendant light for anyone looking to add a stylish yet functional piece to their home!

The design is simple with its rectangular shape. I think it would look good over a pool table. Assembly is probably DIY but installation may require a profession. Overall, I recommend.

B

★★★★★ Beautiful and coordinates with the other pieces in this collection :)

Reviewed in the United States on June 1, 2024

Color: Blue | Size: 1 Pack | [Amazon Vine Customer Review of Free Product](#) (What's this?)

I ordered the more dome-like 10" pendants for an island, with this going over the sink area and it's all a very effortlessly chic look, that is both a bit retro and light, but a bit homey and rustic as well. I love the color and inner contrasting cream tone, I Love the big honey wood 'bead' piece, and the cord that keeps it looking a bit lighter and casual (but the overall look is beautifully classy) Works with so much decor, and the pieces were easy to install. I recommend this particular large pendant/ mini chandelier, and collection!

★★★★☆ Great blue color and high quality set

[Amazon Vine Customer Review of Free Product](#) ([What's this?](#))

I purchase it for my kitchen island. The color perfectly matched with the island color. I really like the Blue and brown color match of this pendant. It came as a 2-pack with all the necessary components. The ceramic bulb base is something hard to find these days. which is perfect.

The cable length is long enough to set it at the desired height.

Installation was as I expected, no surprises.

There is one thing that forces me to cut 1 star. I wanted to remove the E26 MAX 60W label. When I tried to take it off the Brown paint came out with the sticker :(. I will keep it there until I find a solution.

WILON Black Pendant Lights 2 Pack Farmhouse Dining Room Lighting Fixtures

These just happen to match perfectly with two gooseneck sconce lights I have on two columns between the kitchen and living room area in my house.

I am using them over the peninsula cabinet that's within 8' of where one of the columns is located, so having the lights match is a definite plus.

The overall quality of the lights are great and considering the price is for two of them, they're great value for the money.

I've seen much smaller and less impressive lights at the home improvement retailers for about the same money.

They are adjustable which is good considering the peninsula cabinet is an eat-at counter height, so my first thought was to hang them down lower like a dining room fixture, but if they're too obtrusive, I can raise them up higher later on without too much effort.

The installation is straightforward and what you would expect for this type of fixture.

The order was processed, shipped and received fast in excellent condition being well packed and protected. 5-Stars!

If you're going for the farmhouse look, this light works great. But will caution you that the faux wood isn't very convincing at all. But other than that, the finish on the light is good and I don't notice any imperfections. Install was pretty easy as the circular mount gave me plenty of flexibility. I also appreciated the mounting screws for the light itself was adjustable which made it easier for an improperly installed

This is a very beautiful lamp. The color combination is very elegant. The gage of the metal is thick, not thin or flimsy.

Extremely easy to install and adjust the height. It can also serve as a hanging anywhere lamp by simply adding an extension.

The quality of the lamp is very good and the hammered dome looks great!

A great quality, excellent looking lamp!

Reviewed in the United States on March 3, 2024

Color: Matte Black | Size: 1 Pack | [Amazon Vine Customer Review of Free Product \(What's this?\)](#)

It's a high quality fixture. The bowl is heavy gauge metal and the finish is top notch. The inner white paint has a very nice gloss and the outer black looks like a satin to matte finish. The hammer accent is noticeable but not overpowering. The light socket is solid. Overall this thing is beautiful and would very much recommend it.

I have a lot of blue elements in my house and was trying to find something to replace a couple of kitchen fixtures. This is such a nice shade of blue. I was afraid they were either be too dark and look black or be too light and look "off". These a nice muted blue which fits with other items in my kitchen.

Could not tell the size relative to the kitchen room. We have to wait till the kitchen is finished and so we can see how the light fits above the table. May be 2 more weeks before we can tell.

Great light for the money the quality is great. A smooth finish that is even throughout.

It came with everything i needed for installation except the light bulb it does take a standard bulb which is nice you can make it as bright as you want.

It would be nice if it had a change makes me a little nervous hanging from the power cord.

Used this as a foyer light and the wood detail is my favorite part. The hammered texture is quality and does not look fabricated at all. The white on the inside helps to pop the light below and would buy this item again. Feels a bit heritage and reminds me of world market a bit.

These pendants took a few years off our kitchen. Well priced, nice design, easy to install.

★★★★★ Good value for cost [Kitchen Pendant Light (2 pack)]

Reviewed in the United States on November 27, 2024

Color: Black | [Amazon Vine Customer Review of Free Product \(What's this?\)](#)

These pendant lights look very nice. They appear well built, and a good value for cost. They are a bit smaller than I expected (though are as described). I will be installing them in a kitchenette in my basement remodel (currently in progress), (I have tested these without permanently installing)

★★★★★ Amazing value for money

Reviewed in the United States on September 30, 2024

Color: Black | [Verified Purchase](#)

Awesome! I bought these lights for my kitchen that I renovated a while ago, the electrician installed them very easily, they look great with the wood and grey kitchen, they look a lot more expensive than they actually are and they light great!

★★★★★ Look great in our kitchen

Reviewed in the United States on October 13, 2024

Color: Black | [Amazon Vine Customer Review of Free Product \(What's this?\)](#)

These are very nice looking pendant lights. We needed to add a couple of lights over the sink area in our kitchen to reduce shadows. These look good and provide the much needed extra light!

Industrial Pendant Light Rubber Wood Hanging Lamp With Hammered Metal Shade Mode | eBay

ELYONA Industrial Pendant Light, Rubber Wood Hanging Lamp with Hammered Metal Shade, Modern Pendant Light Fixtures for Kitchen Island, Bar, Farmhouse Dining Room, Bedroom, Living Room - Black

?

- 🌟 【Why can you trust ELYONA's Solid Wood?】 ① Unlike fiberboard's wood grain paper surface and glued with unknown woodchips inside, ELYONA solid wood has a waterproof coating that won't cause edge warping when meeting water and is glue-free, formaldehyde-free. ② Made of FSC Certification Smooth Rubber Wood which has represents that the timber used is following the strict environmental standards of FSC. ③ The pendant lamp has a certain weight to ensure that the wire will not bend when hanging.
- 🌟 【The Top Craftsmanship Hammered Metal Shade】 ① Rather than the spray painting process, ELYONA dust-free constant temperature process is used for surface baking paint to ensure the color is free of impurities and smooth which won't crack, more durable and stable. ② Made of natural iron ore from Highland Mountains, melted at an ultra-high temperature of 1538°C to ensure no impurities. ③ The use of top Japanese hammered craftsmanship ensures that each hammered pattern is full and round with the proper depth.
- 🌟 【Medium Dimension & Wood Maintenance】 ① Dimension & Adjustable Height: Max 54.5" H x 10" W x 10" D, Ceiling Canopy: Dia. 4.72". 🌟 (We have 10" and 6.8" sizes for different choices) ② Simply wipe with a damp cloth, then dry. We have been coated with mineral oil before packaging, and we still recommend coating mineral or olive oil 1-2 times 3 month to make the wood grain more textured.
- 🌟 【Patent Design Pendant Light】 ① With over 20 years of illumination production experience and a professional design team, we have high strict control over product quality and detail & getting many patents for appearance design and functions at the same time. ② Rubber wood with hammered metal shade pendant light provides a modern industrial feeling. Ideal for kitchen, dining room, living room, office, coffee bar, bedroom, and beside nightstand. Add this modern industrial looking to your home now!
- 🌟 【Bulb Requirements & Dimmable & One Year Warranty】 ① ETL Listed, and cords are included for Height Adjustment. This hanging light fixture can be installed at any height of the ceiling and bevel. Supports any LED/CFL/Edison or other less than 40W bulbs with E26 Base. 🌟 When using dimmer and dimmable bulb can be dimmed (Bulbs NOT Included). ② We offer One Year Warranty to bring you a great value shopping experience. If you have any questions, please CONTACT US via the Amazon message box.

As advertised. Item arrived ok but was packaged in a plastic bag with no protection. I live in a rural area and the mail handlers here are not careful with packages and most arrive damaged unless they are boxed and wrapped for protection. For this reason I will have to pass on future purchases.

Holy \$HIT!!! This stove is PERFECT! It's better than the description! Easy to light, easy to keep burning. Extremely well built, securely packaged, rapidly (like, lightening fast) shipped, and superb craftsmanship. I got this stove, here, for two-thirds the asking (retail) price! eBay has become total dog \$hit in recent years; Their fees are high, their taxes are absolutely unnecessary, and they defend neither the seller nor the buyer; they protect only themselves. This seller offers hope.

Excellent communication, well packaged and exactly as described. The only issue I have was the shipping which I don't blame the seller. USPS decided to take the scenic route, package arrived and left Arkansas 4 times on its way to Louisiana.

Item shipped quickly and was delivered on-time. The only suggestion I would have would be to not use a box that describes the item on the outside. As this was a gift it could have been awkward. I was very happy with this vendor. Thank you, -bob

Smooth Transaction. Fast Delivery. Very nice and soft Rifle Paper Co x Loloi area rug. It came well wrapped, brand new. Great price. A+seller. Big with confidence. High recommend.

Looking at the photos it appeared that this tent and cot came as a set. Nothing in the description indicated otherwise. All that arrived was the tent, and it was delivered by Amazon to my residence. I paid this vendor \$ 253.93 for this tent. The same tent is available on Amazon for \$179.10. So buyer be ware. I did contact the vendor and they offered to send me a return shipping label and refund my money, since I caught onto their scam.

CLASS A-1 Seller! Great communication with seller! We explained that we needed these outdoor laser lights projectors very quickly and this seller not only responded immediately but also provided lightning-fast shipping to ensure we got these on time. This seller is the exception, sets the example for excellence and customer care. BTW, we don't pass out roses often, so believe us when we tell you that you will not be disappointed with this seller. Many thanks & continued success in 2025!!!

I purchased this item and had to return it for personal reasons, nothing wrong with the item. Regarding the seller, I had no issue with them. I bought the item during the busiest time of the year and I understood the time it took for the seller to respond. Once they did reply the whole return went by smoothly and efficiently. The shipping was fast for both times when it came in and I returned it.
